## Player Information

The players listed below will represent the church named below this season. They have agreed to attend this church a minimum of two services a month starting in April and continuing through August. Each player must attend twice in April to be eligible to be placed on the roster. Since this is a church league, managers/coaches will not permit profanity in any form and will be responsible for the conduct of their players. Any player who fails to meet minimum attendance requirements becomes ineligible for League play. Any player found to have violated terms of this agreement and continues to play will be suspended from the League for a length of time to be determined by the League's Executive Committee.
